

Working With Children Check Policy

Prahran RG Specialist Centre is committed to providing the highest level of membership service. This includes protecting members, promotion of positive behaviours, and attitudes in protecting the health safety and well-being of members. PRG supports the legislation and is committed to ensuring all personnel are compliant with the law. The purpose of this policy is to protect children participating in gymnastics programs and to ensure PRG is a safe organisation and can be trusted to take care of children. The Working With Children Check Policy applies to all PRG personnel over the age of 18 who work directly with children.

WWC Check

WWC check is a requirement of employment for all employees of PRGSC, and the volunteers at our Club.

PRG will ensure that coaches, judges, and volunteers either have a current WWC or have submitted an application for their WWC upon commencement of duties. In the latter case, PRG will actively follow up to ensure that the application was successful. All WWC numbers will be recorded and maintained by the Club Secretary.

Cost

PRG will not be responsible for the cost of WWC assessments for PRG coaching staff. There are no fees for volunteers, which includes: parents, chaperones, and team personnel.

How to Apply

To apply for the WWC Check, please go to the WWC website and follow their instructions.
